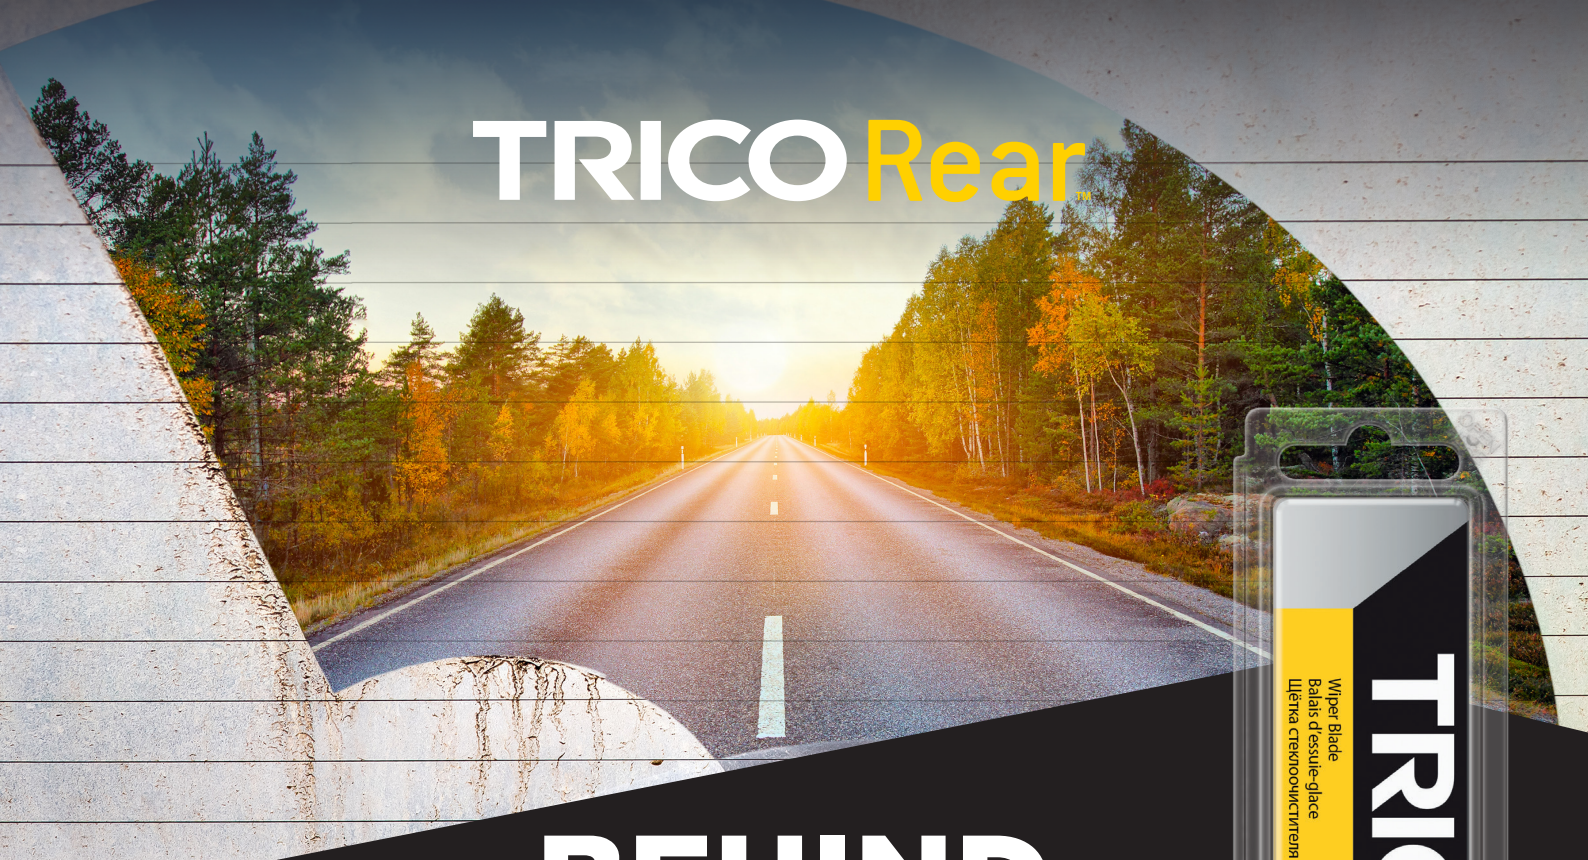
TRICO Rear



BEHIND EVERY DRIVER..

Cover 85% of all rear blade sales in just 12 SKU's

The new **TRICO Rear universal beam blade** line gives you the opportunity to benefit from crucial rear blade sales whilst **minimising stock inventory** & space commitments. Just **12 universal SKU's** replace 30 direct fit SKU's, covering **85% of all rear blade sales** in one simple program.

Employing **advanced beam technology** for 360 degrees of clear driving visibility, TRICO Rear delivers your customers the very latest inscreen wiping technology, whilst delivering you **increased sales from a reduced stockholding.**
